

2018 Fall Trip Agenda

Jekyll Island Golf Club

The Inn at Jekyll Island (Quality Suites)

Thursday (10/18):

We have 12 players making the trip on Thursday. We will play starting at 1:00 PM at Heritage Oaks in Brunswick GA. Each player making the trip on Thursday is responsible for hotel for Thursday night and green/cart fees on Thursday.

Friday (10/19):

Tee times at Pine Lakes starting at Noon (see attached sheet).

Teams will be determined via blind draw using the Tournament Software. We will calculate winners using 2 best ball Net scores.

I tried to pair up those that were driving up together and/or staying together as best I could, respecting any specific request when possible.

We will have a group dinner starting at 6:00 PM in the breakfast area of the hotel. We have the space reserved until 8:00 PM. We will collect \$5 from each participant to cover the cost of cleanup afterwards. If you stay and help cleanup the area, you will get your \$5 back. The hotel is willing to let us use the space as long as we leave it as we found it. We will be serving a Low Country Boil which will include Shrimp, Sausage, Corn and Potatoes (maybe even a few crab legs). You will need to provide your own beverages.

Saturday (10/20):

Tee times at Indian Mounds starting at Noon (see attached sheet).

Teams will be determined via blind draw using the Tournament Software. We will calculate winners using 2 best ball Net scores.

Most foursomes will remain the same as Friday with a few changes to accommodate specific requests. Dinner will be on your own.

Sunday (10/21):

Tee times at Oleander starting at 10:00 AM (see attached sheet).

Teams will be determined via blind draw using the Tournament Software. We will calculate winners using 2 best ball Net scores.

Results will be available after play each day.

All prize money will be calculated and placed in envelopes in the Pro Shop after we return from the trip. This will keep us from having to carry large sum of cash and save time each day.

Depart for home when you finish. Drive Safely!
