RULES OF PLAY

Play is governed by the current USGA Rules of Golf and its Decisions and where applicable by the following Local Rules, Conditions and Definitions. Appendix 1 refers to the Appendix of Local Rules and Conditions of the Competition in the current Rules of Golf Book. All MGA rules apply. Unless otherwise specified, the penalty for breach of a Local Rule or Condition is two strokes in Stroke Play.

Ground Under Repair: Enclosed white line areas define ground under repair. The white lines are considered in ground under repair. Other areas of ground under repair, even though not so marked include:

- a. French drains (trenches filled with stones or the like); Fire ant beds or mounds.
- b. Root rule applies.
- c. Sod seams (for lie of ball only) – to be treated as an embedded ball through the green
- d. Areas where recent trees have been removed will be treated as Ground Under Repair even if not marked. Both teams in a foursome must agree that a ball lies in such area.
- e. All fairway and greenside bunkers will be played as rake and place.
- f. Ruts to the right of number 7 fairway will be treated as GUR. Both teams must agree that the washed-out rut interferes with stance or ball.

Please remember this is supposed to be a FUN event. Show respect for other golfers by raking bunkers and repairing ball marks. Please play **“ready golf”** so we can finish in a reasonable amount of time (4 hours).

In case of inclement weather, all teams should meet at the clubhouse and the BOD will make the decision whether play is cancelled.
